TO WHOM IT MAY CONCERN:

This is to inform the public that I, ABRAHAM B. LIM of Zone 8, Bulan, Sorsogon is the co-inventor of the TZUY TURBINE invention. The inventor is my brother MELCHOR B. LIM also of Zone 8, Bulan, Sorsogon who has all the Knowledge of this turbine invention.

To facilitate the immediate realization of this invention I authorized him, the inventor, MELCHOR B. LIM to do all the communications even in signing any kind of agreement related to our turbine invention.

My authorization for him to do the things needed to speed up the realization of our TZUY TURBINE invention does not need anymore my permission to do anything in order to reach our goal that is for the beneficial of mankind.

I cannot make a signature due to my physical disability that's why my thumbmark above my name fully agree of the aforementioned authorization.
